## Katy ISD FFA Livestock Show Community Partners

FFA Motto:

Learning to Do,  
Doing to Learn,  
Earning to Live,  
Living to Serve.

## Who We Are

The National FFA was founded by a group of young farmers back in 1928. Their mission was to prepare future generations for the challenges of feeding a growing population. They taught us that agriculture is more than planting and harvesting-- it's a science, it's a business and it's an art.

FFA continues to help the next generation rise up to meet those challenges by helping its members to develop their own unique talents and explore their interests in a broad range of career pathways.

The Katy ISD FFA programs have a strong history within the FFA organization. The first chapter within the city was chartered in 1932 and we are now 8 chapters strong.

## How Does FFA Make An Impact?

FFA functions as a part of a school's agriculture education program, helping students prepare for careers in business, science and technology of agriculture. FFA members impact the community by participating in civic engagement activities and educating children and local communities about the importance of agriculture.

## What's Your Role?

Participating in the KISD FFA Livestock Sale, as a Buyer, allows you the opportunity to celebrate with these hardworking students through financial support. Your financial support allows for the successful completion of the FFA student's "Supervised Agriculture Experience" (SAE). Through the premium auction and barn sale, students are able to fund future animal projects, save for college, or pay for other necessary expenses.

## What's Your Reward?

Celebration of a job well done by the students and the privilege to share in their "grand finale" are the Buyers' rewards. Your contribution as a Buyer is recognized in the community, often through the increased visibility in the "FFA Family". Buyers may develop potential tax deductions through their participation and have the opportunity to work with other Katy Community Partners. Our partners have the satisfaction of recognizing KISD FFA youth for their dedication in a difficult, exhausting, yet rewarding agriculture experience.

## How Do You Become A Buyer?

You can participate as a Buyer at the KISD Livestock Auction as an individual, a private business or as a member of a Buyer group. You may create a new Buyer group with friends and colleagues or join an existing Buyer group. Buyer groups are a great way to pool funds between individuals. Before the auction, all Buyers are invited to attend a luncheon where they have the opportunity to mingle with other Buyers and KISD Committee Members.

This year we anticipate 479 animals need to be sold. Only 118 animals will sell at the auction and the remainder will be sold in the "Barn Sale" at a fixed price:

***Broilers: \$100***

***Goat: \$375***

***Lamb: \$375***

***Pig: \$400***

***Rabbits: \$100***

***Steer: \$2000***

The KISD Show is a terminal show which means that no live animal will be released to the Buyer. No action is required except that, as a Buyer, you select to have it processed for your personal freezer or sell it back to the processor allowing you to make a further cash contribution to an approved KISD FFA charity. The barn sale will open Saturday, February 15, 2020 at 7:00 am.
