

## Barn Bus Rules and Regulations

The Barn Bus is a privilege and will have the following rules and regulations to be implemented for the safety of yourself and others to keep using the transportation system. Bus riders are expected to maintain the same standards of conduct and citizenship as on the school campus.

1. All students who ride the Barn Bus must have an animal at the barn. No students shall ride the bus otherwise.
2. Once on the Bus all students must ride the bus to the barn and from the barn back to the school. No-One Way rides. No exceptions.
3. There will be no radios or any other loud audible devices used on the bus at any time.
4. As a rider on the Barn Bus you are on a strict schedule to be back to the school on time. Example, once stopped take care of your morning requirements with your animal and get back on the bus ready to leave. There will be no conversations or gatherings in the barn areas in the morning.
5. There will be no sharing of a bus seat by different genders. Example: No boys and girls may share the same seats on the bus.
6. A list of riders will be given to the driver. Any change to the riders list must be approved by an Ag teacher. Ag teachers must be notified a minimum of one day prior to the event of change. All changes must be accompanied by a parent signature. Example, on the riders list and start driving yourself, riding with another student, or driving yourself and start riding the Barn Bus.
7. Observe the same conduct expectations in the classroom.
8. Enter the bus and immediately go to the assigned seat.
9. Talk in a normal tone of voice.
10. Remain seated and facing forward in the assigned seat until time to exit the bus.
11. Keep head, hands, feet, and other objects to oneself; avoid tampering with bus equipment.
12. Use acceptable language; obscene, profane, and/or unacceptable language and/or gesturing are prohibited.
13. Refrain from eating and/or drinking on the bus; keep the bus clean.
14. Refrain from throwing objects within the bus or out the windows.

Follow all rules outlined in the District's *Discipline Management Plan and Student Code of Conduct*, as well as safety rules, established by the bus driver. Any violations to these rules and regulations can lead to the loss of use to ride the Barn Bus and potentially make you a member **NOT** in good standing with the FFA Chapter.
